Table 3: *Epistatai Phylakitôn* Prosopography

last updated Spring 2013

KEY:

Name: name of *epistatês phylakitôn* in Nominative, first line; name of father of *epistatês phylakitôn* (where known) in Genitive, last line; other names attested for *epistatês phylakitôn*, middle line(s)

Pros.Ptol.: *Prosopographia Ptolemaica* number for *epistatês phylakitôn* (where available)

Other Designation: ethnics, titles, geographical designations, agricultural allotments and other official positions appended to name of *epistatês phylakitôn*

Home/Work Location(s): areas in which evidence reveals *epistatês phylakitôn* lived and/or worked; geographical names indicate narrowest range or area in which a given *epistatês phylakitôn* lived/worked, not necessarily a specific provenance

Date(s): dates (years) for which *epistatês phylakitôn* is attested; dates indicate narrowest attested range in which a given *epistatês phylakitôn* operated, not necessarily a specific date or period

Text(s): documents in which *epistatês phylakitôn* is attested, with relevant lines quoted

"(?)" indicates an uncertain identification

Demotic texts are indicated by transliterated *epistatês phylakitôn* names (*i.e.*, Ptolemaios Ptolemaiou instead of Πτολεμαῖος Πτολεμαίου); all citations to and quotations of Demotic texts are to the editors' translation(s).
