

ACNS 2011 Abstract Submission Guidelines

We will be accepting a limited number of posters to be displayed during the ACNS Conference. Acceptance criteria include the following:

1. The research to be presented is pertinent to the domain of Auditory Cognitive Neuroscience.
2. The methodology of the work is sound.
3. Work in progress will be in presentable form by the time of the conference.

Abstracts should be no longer than 350 words (not inclusive of graphs, figures, or references) and include the following components:

1. Statement of the Problem
2. Study Design and Method
3. Results and Interpretation

Please email abstracts, including author names and affiliations, to adv1@email.arizona.edu no later than **December 2nd, 2010**. Details regarding poster size and format will be provided at the time of acceptance notification.
