The Good Gun Foundation
Phoenix Chapter

The Good Gun Foundation is a 501c3 non-profit organization that was created to encourage gun owners to become prominent examples of good citizens in their communities. Members set high standards of behavior for gun owners, accept personal responsibility for their actions, and encourage others to do the same. We are committed to many community service activities, are stewards of the environment, and practice and encourage safe and responsible use of firearms.

In Our First Year, We...
- Participated in many environmental cleanup efforts including the National Public Lands Day.
- Collected three large truckloads of non-perishable food and raised $2,500.00 for the Yavapai Food Bank as part of the Target Hunger Holiday Food Drive.
- Raised more than $8,000 toward the purchase of a drug dog for a new K-9 Unit for the Yavapai County Sheriff’s Office.
- And much, much more!!
