

## TABLE OF CONTENTS

### INTERNATIONAL SOCIETY OF LYMPHOLOGY PRESIDENTIAL ADDRESS

A Glimpse at Opportunities for Lymphology in the Next Century <i>CCC O'Morchoe</i> .....	3
---	---

### FILARIASIS AS A CHALLENGING PROBLEM

Summary of Special Course on <i>Bancrofti Filariasis</i> <i>M Bernas, M Andrade, E Azoubel, M Witte</i> .....	9
The Clinical Manifestations of Bancroftian Filariasis <i>E Azoubel</i> .....	13
Results and Side-Effects of Coumarin in the Treatment of Filaritic and Other Lymphoedemas <i>JR Casley-Smith, S Jamal, Judith R Casley-Smith</i> .....	20

### ANGIODYSPLASIAS: MECHANISMS AND MANAGEMENT

Lymphangiadenodysplasias (Lymphangionodal Dysplasias) in Pediatrics.-LAAD- <i>CM Papendieck</i> .....	27
Treatment of Angiodysplasias with Recombinant Interferon Alpha 2 <i>CM Papendieck, E Kumiko, P Rendo</i> .....	30

### CLINICAL LYMPHOLOGY

Lymph Pressure and Flow Measurements in Lymphedemas: Therapeutic Implications <i>F Boccardo, C Campisi, W Olszewski</i> .....	35
Organization and Operating Criteria for a Modern Lymphology Centre: Current Aspects and Prospects <i>C Campisi</i> .....	38
Prevention of Secondary Lymphedema. Possible Role of Microsurgery. <i>C Campisi, F Boccardo</i> .....	41
Aircraft Flights Can Initiate Lymphoedema (From the Latent Phase) <i>JR Casley-Smith, Judith R Casley-Smith</i> .....	44
Changes in Tissue Elements in Chronic High-Protein Oedema; Implications for Measurements and the Actions of Therapy <i>JR Casley-Smith</i> .....	46
The Cost-Efficacies of Various Treatments for Lymphoedema <i>JR Casley-Smith, Judith R Casley-Smith</i> .....	49
Hemodynamic Factors in the Pathophysiology of Lymphedema? <i>E Földi, M Földi</i> .....	56
Lymphinspiration (Hyperstomy Syndrome) <i>RC Mayall, ACDG Mayall, JC Mayall, J Freitas, M Kürten, VCSR Pereira</i> .....	67
Skin Failure and Lymphoedema <i>TJ Ryan</i> .....	70

### CHYLOUS REFLUX: MECHANISMS, DIAGNOSIS AND TREATMENT

Chylous Ascites Due to Malignancy <i>MFC Andrade, AG Wolkoff, MLB Garcia, GS Alvarenga, P Puech Leão</i> .....	77
Chylous and Lymphatic Reflux in the Pathogenesis of Lymphedema: Clinical Cases, Diagnostic Aspects and Treatment <i>C Campisi, F Boccardo</i> .....	81
Lymph-Venous Anastomoses in the Management of Chylothorax <i>A Cariati, M Taviani, S Zoppi, A Casano, E Cariati</i> .....	84

Multimodality Therapy in a Case of Chylous Ascites with Lymphocytes Depletion <i>A Cariati, S Zoppi, M Taviani, F-G Conti, E Cariati</i> .....	87
Tosatti-Cariati Intervention in the Treatment of Chylous Reflux into the Lower Limb <i>A Cariati, S Zoppi, R Pavero, F Maritato, E Cariati</i> .....	91

## ADVANCES IN LYMPHATIC AND LYMPH NODE IMAGING

Standard CT Assessment of Lymphedematous Limbs, Radiological Pattern Change after Conservative Treatment <i>MFC Andrade, MTN Almeida, P Puech Leão</i> .....	97
Isotopic Lymphography in the Diagnosis and Follow-Up of Lymphedemas Treated by Microsurgery <i>P Biassoni, C Campisi, G Villa, F Boccardo</i> .....	101
Direct Lymphangiography with Microsurgical Procedure Indications: Techniques and Results <i>F Boccardo, C Campisi</i> .....	106
Computer Tomography of the Skin in Lymphedema <i>J Bruna</i> .....	109
Direct Lymphography as Safe Procedure <i>J Bruna, J Brunova, T Jurgova</i> .....	111
Radiological Contribution to the Definition of Lymphedema <i>J Bruna</i> .....	114
Sensitivity and Specificity of Mediastinoscopy in the Diagnosis of “Isolated” Mediastinal Adenopathies <i>A Cariati, M Taviani, A Costanzo, A Casano, M Prandi, E Cariati</i> .....	119
Detection of Breast Cancer Lymph Node Metastases with Positron Emission Tomography <i>P Hirnle, U Feine, D Schmidt, R Lietzenmayer</i> .....	122
Lymphedema Images <i>RC Mayall, ACDG Mayall, VO Almeida, VCSR Pereira, BES Araújo, EM Gracio, M Kürten</i> .....	124
A Simplified Standardized Technique for Isotope Lymphatic Imaging of the Extremities <i>G McNeill, W Williams, C Witte, M Witte</i> .....	130
Lymphatic Transport Index in Peripheral Lymphedema Syndromes <i>W Williams, M Bernas, G McNeill, C Witte, M Witte</i> .....	134

## BASIC LYMPHOLOGY: RESEARCH PERSPECTIVES

Skin Lymph Dendritic Cells as Antigen Presenting Cells for Lymph Lymphocytes <i>H Galkowska, WL Olszewski, U Wojewodzka</i> .....	139
Cutaneous Lymphatic Drainage of the Superior Eyelid <i>AL Jacomo, AJ Rodrigues Jr, LT Figueira</i> .....	144
Lymphatic Drainage of the Labia Majora of the Pudenda <i>AL Jacomo, AJ Rodrigues Jr, LT Figueira, MFC Andrade</i> .....	147
Rapid Replenishment of Lymphoid Organs After Vascularized Bone Marrow Transplantation in Lethally Irradiated Rats <i>B Lukomska, M Durluk, E Cybulska, WL Olszewski</i> .....	150
Biochemical Analysis of Human Peripheral Lymph <i>M Ohkuma</i> .....	157
Immunohistochemical Staining of the Human Cutaneous Initial Lymphatic--CD 31, Vimentin, Desmin, Alpha-Actin & Fibrinogen <i>M Ohkuma, S Ono, S Hashimoto</i> .....	161
Problems in Quantitative Analysis of Lymph and Lymphatics <i>CCC O’Morchoe, PJ O’Morchoe</i> .....	164
Effect of Neuropeptides on T Cell Migration in GALT (Gut-Associated Lymphoid Tissue) <i>H Serizawa, S Miura, Y Tsuzuki, Y Hamada, T Shigematsu, R Hokari, E Sekizuka, M Tsuchiya, H Ishii</i> .....	168

Flow Cytometric Assay of <i>In Vitro</i> Lymphocyte to Lymphatic and Blood Vascular Endothelial Cell Binding <i>A Stazzone, P Borgs, D Way, M Witte, C Witte, R Sobonya</i> .....	172
Isolation and Characterization of a New Established Human Lymphatic Endothelial Cell Line (HTDEC-1) <i>D Way, P Borgs, M Witte, M Schmelz, R Sobonya, X Shao, C Witte</i> .....	176
The Role of Lymphatic Vessels Draining the Wall of the Aorta in the Pathogenesis of Atherosclerosis in Rabbits <i>M Wu, PJ O'Morchoe, S Potter, M Prabhudesai, AH Levy, CCC O'Morchoe</i> .....	179
The Role of Lymphatic Vessels in the Pathogenesis of Atherosclerosis of Coronary Arteries of Rabbits <i>M Wu, PJ O'Morchoe, S Potter, M Prabhudesai, AH Levy, CCC O'Morchoe</i> .....	182

## LYMPHEDEMA MANAGEMENT

Physical Treatment of Limb Lymphedema. Preliminary Results in a University Outpatient Service <i>MFC Andrade, MAC Andrade, P Puech Leão</i> .....	187
A New Approach in Histopathological Diagnosis of Lymphedema: Pathophysiological and Therapeutic Implications <i>A Badini, E Fulcheri, C Campisi, F Boccardo</i> .....	190
Limb Volume Measurements in Lymphedema: Issues and Standards <i>M Bernas, M Witte, C Witte, D Belch, P Summers</i> .....	199
Our Experience in the Thermotherapy of Lymphedema <i>F Boccardo, C Campisi, M Tacchella</i> .....	203
Present Criteria to Standardize Lymphedema and Respective Diagnostic and Therapeutic Protocols <i>C Campisi, F Boccardo</i> .....	206
The Modern Surgery of Lymphedema <i>C Campisi</i> .....	210
Complex Physical Therapy Causes Reductions in Lymphoedema for at Least 24 Hours Afterwards; So Pumps are Unnecessary <i>Judith R Casley-Smith, JR Casley-Smith</i> .....	222
Limits and Indications of Physical Treatments of Lymphoedema: The Role of the Therapist; How Should Patients Choose Treatment & Therapist <i>Judith R Casley-Smith</i> .....	224
The Dangers of Pumps in Lymphoedema Therapy <i>Judith R Casley-Smith, JR Casley Smith, BB Lasinski, M Boris</i> .....	232
Treatment of Chronic Lymphoedema by Intraarterial Lymphocyte Injections <i>JM Coget, F Villard, JP Millien</i> .....	235
A New Treatment of Limb Lymphedema by Combination of Hyperthermia, by use of Life-Saving Coverlet®, Sequential Pressotherapy by Lympha-Press®, Electro-Magnetic Fields by G.E.M.®, Endermology by Cellu M6® and Manual Lymph Drainage <i>F Dubois, P Schuler, I Lecomte</i> .....	240
Endermotherapy, a Revolutionary New Technique for Allowing the Defibrosis of the Edematous Skin <i>F Dubois, P Schuler, I Lecomte</i> .....	242
Medical Treatment Versus Surgery <i>ACDG Mayall, RC Mayall, JC Mayall, J Freitas, MM Preussler, HQ Costa, M Oliveira, MC Carneiro, A Teixeira, VCSR Pereira</i> .....	245
Medical Therapy of Lower Leg Lymphedemas <i>RC Mayall, ACDG Mayall, EA Neves, VCSR Pereira</i> .....	247
Microwave Therapy Combined with Oral Chinese Drugs Tried for Lymphedema <i>M Ohkuma</i> .....	252
Mortality and Life Span of Microwave Treated Lymphedema Patients <i>M Ohkuma</i> .....	256

Skin Surface Temperature and Clinical Effect of an Improved Method of Microwave Treatment for Lymphedema <i>M Ohkuma, K Nakajima, H Kohzuru</i> .....	259
Efficacy of Daflon 500 mg® in the Treatment of Secondary Upper Limb Lymphedema <i>AP Pecking, JL Floiras, P Rambert, A Boudinet, S Lasry, JR Garbay, B Février, C Wargon, G Pillion, J Rouëssé</i> .....	262
Accepting Responsibility for Health Management: Partner Training as an Effective Means of Managing Chronic Lymphoedema <i>NB Piller, R Packer, J Coffee, S Swagemakers</i> .....	266
Clinical Treatment of Lower Limb Lymphedema <i>A Scuderi, H Nigri</i> .....	270
Systemic Management of the Lymphatic System: Clinical Application of Photon Particle Generation <i>M Viczay</i> .....	274

## UPPER LIMB INCLUDING POST-MASTECTOMY LYMPHEDEMA

Cutaneous Lymphatic Drainage of the Thenar Eminence <i>AL Jacomo, AJ Rodrigues Jr, LT Figueira</i> .....	281
Post Mastectomy Lymphedema: An Epidemiological Study <i>HJG Neto</i> .....	285
Lymphedema of the Right Arm After a Melanoma Operation and Occlusion of the Brachial Vein <i>EA Neves, RC Mayall, ACDG Mayall, MV Serva</i> .....	289
Upper Limb Lymphedema's Frequency in Patients Treated by Conservative Therapy in Breast Cancer <i>AP Pecking, JL Floiras, J Rouëssé</i> .....	293
Low Level Laser Therapy: A Cost Effective Treatment to Reduce Post-Mastectomy Lymphoedema <i>NB Piller, A Thelander</i> .....	297
Post-Mastectomy Lymphedema, Our Results with 150 Patients Treated by Földi Method <i>D Vogelfang</i> .....	301

## LYMPHEDEMA COMPLICATIONS

Erysipelas and Lymphangitis <i>RC Mayall, ACDG Mayall, VCSR Pereira, BES Araújo, EM Gracio, MM Preussler</i> .....	307
Acute Cellulitis Associated with Lymphedema Better Treated by External Application of Steroid Ointment <i>M Ohkuma</i> .....	311
Incidence of Acute Cellulitis in Lymphedema, Trial in its Treatment Dispensing Antibiotics and its Relation to Mycotic Skin Infection--The Second Study <i>M Ohkuma</i> .....	313
Prophylactic Treatment of Acute Cellulitis in Lymphedema by Application of Antimicrobial Cream <i>M Ohkuma</i> .....	317
Skin Surface Bacteria in Uni- and Bilateral Lymphedema Before and After Microwave Therapy as Well as its Vitro Change after Microwave Exposure on Cultured Plate <i>M Ohkuma, S Kubo, K Matsushita, Y Ohba</i> .....	320
Bacteriological Investigation of Tissue Fluid, Lymph and Lymph Nodes in Patients with Filarial Lymphedema <i>WL Olszewski, S Jamal, G Manokaran, S Pani, V Kumaraswami, U Kubicka, B Lukomska, A Dworzczynski, E swoboda, F Mikolajczyk</i> .....	323
Immunohistochemical Studies of Skin in Secondary Lymphedema of Limbs Reveal Presence of Chronic Inflammatory Reaction <i>WL Olszewski, U Kubicka</i> .....	327

Recurrent Bacterial Dermatolymphangioadenitis (DLA) is Responsible for Progression of Lymphedema <i>WL Olszewski</i> .....	331
Erysipelas and Secondary Acute Inflammation (SAI) in Lymphoedema <i>CF Petlund, A Engeset, PA Jenum, LO Ottestad, R Walby</i> .....	335
Acute Lymphangitis and Persistent Lymphedema After Topical Application of Cantharidin <i>A Stazzone, P Borgs, C Witte, M Witte</i> .....	341

## **SURGICAL TREATMENT OF LYMPHEDEMA**

Derivative Lymphatic Microsurgery: Indications, Techniques and Clinical Outcome Statistical Assessment <i>C Campisi, F Boccardo</i> .....	345
Reconstructive Lymphatic Microsurgery: Short and Long Term Outcome of Autologous Venous Grafts <i>C Campisi, F Boccardo</i> .....	349
Hyperstomy Syndrome in Lymphedema <i>M Kürten, RC Mayall, ACDG Mayall, JC Mayall, J Freitas, VCSR Pereira</i> .....	352
Surgical Treatment of Penoscrotal Lymphedema <i>HJG Neto</i> .....	354
Parameters to be Considered in the Indication of Lymphatic Venous Anastomosis <i>A Pietravallo, C Cocozza, M Bussati, J Ovelar</i> .....	359
Resective Surgery in Lymphedema: Our Experience <i>A Pietravallo, H Martinez, C Cocozza</i> .....	363

## **LYMPHATIC SYSTEM AND CANCER**

Oesophageal Carcinoma and Lymph Node Involvement <i>J Bruna, J Brunova, GF Ferreira, EA Lion-Cachet</i> .....	369
Comparison Between Preoperative Mediastinal Staging by Computed Tomography and Surgical Findings in Lung Cancer <i>A Fernandez, RH Bammann, ACP Castro, AR Junqueira, Jr, FB Jatene</i> .....	371
Lymph Node Dimensions are not a Reliable Criteria Concerning Metastatic Invasion in Lung Cancer <i>A Fernandez, RH Bammann, V Delmonte, AR Junqueira, FB Jatene</i> .....	373
Mediastinoscopy in Advanced Superior Vena Cava Syndrome <i>A Fernandez, RH Bammann, LTB Filomeno, JRM Campos, FB Jatene</i> .....	375
Human Skin Lymph Influences Proliferation of Tumor Cells of Various Origins <i>I Grzelak, WL Olszewski, A Engeset, R Oftebro</i> .....	379
Fertility Preservation After Endolymphatic Chemotherapy of Advanced Hodgkin's Disease <i>P Hirnle, E Ziolk</i> .....	385
Influence of Therapy With Alpha Interferon and Retinoic Acid on Lymph Node Metastases of the Uterine Cervix <i>W Hoffman, H Franz, H Stutte, P Hirnle</i> .....	387
Laparoscopic Retroperitoneal Lymphadenectomy: Current State and Future Prospects <i>F Tuttlies, P Hirnle</i> .....	389
Liposomes Containing Blue Dye for Endolymphatic Use: Comparison of Different Manufacturing Methods <i>P Hirnle</i> .....	393

## **AIDS AND LYMPHATIC NEOPLASMS: PATHOMECHANISMS AND MANAGEMENT**

Mediastinoscopy in AIDS <i>RH Bammann, A Fernandez, FB Jatene, DE Uip, TMV Strabelli, ALLM Lima, CMP Vázquez</i> ...	397
Peripheral Lymphadenectomy in AIDS Patients <i>RH Bammann, JP Salomão, CK Neves, JA Salinas, J Filippi, MF Araújo, CMP Vázquez</i> .....	400
Author Index .....	403
